A sensational new pop/rock musical for ancient and modern times.

The relationship between a mother and her teenage daughter can be sheer hell - especially if that daughter is a Greek goddess with a taste for the Underworld. Mythic turns the ancient Greek story of Persephone on its side, with the gods as chart-topping rock stars, power hungry politicians, and professional socialites.

“A high voltage adaptation, it’s a romp!” – *Musical Theatre Review*

“Wonderful fun - when it’s over, you want to see it again.” – *Theatre Review*

“Each song could be a hit single in its own right. Just heavenly!” – *The Stage*
